IST 263 Project Milestone 3 – Site Media

Name: Amanda Simone

Description:
I am going to make a photography portfolio with my work from the past couple of years. I intend to add my favorite/best pictures and a description of my creative process with each one. I may also add my graphic design projects from last semester and a description of each of those, as well. My intention is to have a professional portfolio of my photography because I have done it as a job and as volunteer work for a number of years.

3 Pages: Include some information about what will be on each of the three pages in your website.

1. What will be on the home page?
    - about me page
    - photography experience and style
    - overview of what else is on the page
2. What will be on the 2nd page?
    - photography work
    - descriptions of each
3. What will be on the 3rd page?
    - graphic design projects
    - descriptions of each
